

INDEX

PERSONAL

Ranks shown after surnames of officers and men are the highest standard attained by each, the appointments being those held at the time mentioned.

Page numbers followed by *n* indicate that the reference is to a footnote on the page specified.

The letters T., or T.C.; T.F.; and S.R., placed after R.A.M.C. or A.M.S., indicate that the commission held was temporary, or in the Territorial Forces, or Special Reserve.

- ABERDEEN, Capt. K. G. McK. (A.A.M.C.), 826
- ACHARD and BENSUADE (paratyphoid), 455ⁿ
